Safety Requirements

Safety suggestions with this profession would include wearing shoes that would not be slippery when walking on a damp floor. All hair needs to be swept up following each haircut to minimize accidents. All water spilled should also be wiped up as quickly as possible. It is the responsibility of each student to promote a safe work environment. Gloves should be worn during chemical services to reduce any allergic reaction that an individual may have to certain chemicals. Any product that would accidentally get in the eyes should be flushed thoroughly with water. Seek medical attention if irritation continues.

Physical Demands Placed On the Body

You may work long hours, especially those who own salons. Work schedules may include nights and weekends, and may not include breaks or lunches. Good health and stamina are a must. Most salon industry professionals may be on their feet for long periods of time. Prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, goggles, and gloves should be worn.

Licensing Requirements

To receive your license you must satisfy the requirements of both, the Anousheh School of Hair and the New York State Education Department, Bureau of Proprietary School Supervision. At our school, students must complete 1250 hours of Standard Cosmetology, and all required units of education within the curriculum. Students are required to pass all examinations during these training periods, including the "Mock State Board", where we provide testing on theoretical and practical standards of New York State. To fulfill the requirements of the State Board Test students are required to bring a mannequin head and a mannequin hand for the practical portion of the test, and have a passing grade of 70% or higher before receiving a Cosmetology license.

Drug Prevention Program

The School distributes this policy to all staff members at the start of employment and to all students at the start of their enrollment. The policy is updated at least annually and is available via the school website at all times at <https://anoushehschoolofhair.com/>

The School prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and staff on the property or as part of any School activities. The School will immediately contact law enforcement officials to report all unlawful activities. The health risks of the use of illicit drugs and alcohol abuse require providing education and referral for students and staff. The School provides education annually and refers students and staff to local services. Area drug abuse information, counseling, referral and treatment centers information is made available to students or staff members. The School will expel students and terminate staff involved in unlawful possession, use or distribution of illicit drugs and alcohol. The School will refer such cases to the proper authorities for prosecution. Students and staff may be reinstated upon completion of an appropriate rehabilitation program.

As a condition of employment, employees must notify The School of any criminal drug statute conviction for a violation occurring in the workplace not later than five days after such conviction. There are serious legal sanctions for illegal use of drugs and/or alcohol. There are serious health risks associated with such use. Health risks associated with the use of illicit drugs and the abuse of alcohol include: impaired mental and physical health, neurological disease/damage, memory and intellectual performance interference, mental and physical depression, uncontrollable violence, impulsive behavior, convulsive seizures, homicide, suicide, cardiac disease or damage, cardiovascular collapse or heart failure, gastrointestinal disease or damage, ulcers or erosive gastritis, anemia, liver and pancreatic disease, liver failure or pancreatitis, deteriorating relationships, and death. All students and / or staff at The School must understand The School's policies as stated above and recognize their impact if the law is broken in relation to drug and/or alcohol use. The School reviews its Drug Prevention Policy and effectiveness of sanctions imposed every **two** years.

- The dismissal that may occur following a final determination of the said proceedings regarding The School Drug Policy prohibits the possession, use, and sale of alcoholic beverages to anyone on our property or as part of any of our activities.
- The School policy also prohibits the possession, use and sale of illegal drugs.
- The School policy supports and enforces state underage drinking laws. Students caught in any of the above situations will be dismissed from the program and will be reported to the authorities.
- In some cases, conviction of drug-related offenses could result in the student's ineligibility of Title IV funding or other forms of financial assistance.

Sex Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. The School strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a member of EDT. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Various counseling options are available throughout the county and can be found through the Police Department.

Per the Department of Education the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the

Anousheh School of Hair – Binghamton NY

Consumer Information 2018

outcome of the hearing. A student found guilty of violating the School sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the School for the first offense. Student victims have the option to change their academic and/or on-campus living situations after an alleged sexual assault, if such changes are reasonably available. Both the accused and the victim will be notified of the results of the hearing.

A complete list of Sex Offenders can be found at www.familywatchdog.us

Emergency Notification- Immediate notification of an unforeseen combination of circumstances that calls for immediate action. Emergency Notification will be in written form, posted on the front door of the School as well as distributed by SMS to staff members and students.

Emergency Response Procedures

At the time of an urgent unanticipated event, staff members will assess the situation to determine the significance of an emergency. In the event of an emergency, staff and students will be notified by either verbal communication (for students currently in the building), or written communication/ SMS (for students not in attendance) to notify them of the particular situation. A count for all staff, students and guests will be taken as soon as reasonably possible to ensure all are accounted for at the time of the emergency. Without delay, all students will receive notification of the emergency by written communication in the form of a text message from the **Emergency Decision Team**.

The responsible members of the EDT consist of:

- 1) **The School Director – Lisa Burke**
- 2) **The School President – Anousheh Salimi**

The verbal/written communication will include:

- 1) Type of emergency
- 2) Steps to be taken for the emergency situation

Emergency procedures will be **tested twice a year**. Owners and staff will evaluate the testing results and implement improvements needed to secure the safety of all concerned.

Emergency Procedures Due to Criminal or Terrorists Threats:

Upon receipt of information pertaining to a threat during business hours, the person receiving the information should notify a staff member of the impending or occurring emergency. The staff member will respond to the immediate situation when necessary and will contact civil authorities to determine appropriate action which may include evacuation of entire campus for a length of time to be determined based on the situation at hand. If necessary, The School will post on outside doors the time class will resume. In the event that staff, students and guest would be safer inside the building the EDT will direct everyone to an internal room in the School.

Tornado Warning

When a tornado warning is issued:

- A tornado has actually been sighted
- Or has been indicated by radar
- Public warning will come over the radio.

Tornado Warning Procedure

- DO NOT leave the building

Family Educational Rights and Privacy Act of 1974

The FERPA is a Federal law designed to protect the privacy of a student's education records. The law applies to all schools which receive funds under an applicable program from the U.S. Department of Education.

The FERPA gives certain rights to parents regarding their children's education records. These rights transfer to the student or former student who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students.

Parents or eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses to make the corrections, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records.

Generally, the school must have written permission from the parent or eligible student before releasing any information from a student's record. However, the law allows schools to disclose records without consent, to the following parties:

- School employees who have a need-to-know.
- Other schools to which a student is transferring.
- Parents when a student over 18 is still dependent.
- Certain government officials in order to carry out lawful functions.
- Appropriate parties in connection with financial aid to a student.
- Organizations doing certain studies for the school.
- Accrediting organizations.
- Individuals who have obtained court orders or subpoenas.
- Persons who need to know in cases of health and safety emergencies.
- State and local authorities to whom disclosure is required by state laws adopted before November 19, 1974.

Schools may also disclose, without consent, "directory" type information such as student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, the school must tell parents and students of the information that is designated as directory information and provide a reasonable amount of time to allow the parent or eligible student to request the school not to disclose that information about them. Schools must notify parents and eligible students of their rights under this law. The actual means of notification is left to each school. If you wish to see your records, you should contact the school for the procedure to follow. Any questions or concerns under this act should be directed to: Family Policy Compliance Office, Dept. of Ed., 400 Maryland Avenue, SW, Room 3017, Washington D.C. 20202-4605 or you may call (202) 401-2057.

Procedure for Maintaining and Safeguarding Student Records

- All student financial records are kept in a locked cabinet which is located in the financial aid office.
- The financial aid office is locked when unoccupied.
- The financial aid officer and the school owners are the only persons who have keys to the student files. No other employees have keys to the file cabinets.
- Student records are maintained on a computer software system called Genesis. This is a live, on line system with a daily back up. All data is stored in an off-site location.

Title IV Funding – General Information

The School educates students and/or parents in all options of financial aid available to those who qualify. We understand that all students'/family's needs are unique. We are committed to the student's educational success, a part of which includes securing the proper funding. The information from the FAFSA, provided by the student and/or parent, in conjunction with state and federal regulations determines eligibility for available programs. Many parents borrow money to help cover educational costs and living expenses for their daughter/son.

Types of Financial Aid Available

At this time the School is only offering Pell Grants, and while the information contained in the catalog includes loan information the School is currently not participating in the loan programs but may offer loans in the near future.

Federal Pell Grant (Need Based Aid)

Pell Grants provide a foundation of financial assistance that may be supplemental by other resources and doesn't have to be repaid after graduation. Pell Grants are determined after the financial status of a student is fully reviewed. Based on a student's financial circumstances, a specific amount of money is disbursed annually toward the student's education through the Pell Grant. How much you can expect to receive from a Pell Grant is solely based on your financial situation and other criteria.

William D. Ford Direct Stafford Loans (Need & Non-Need Based Aid)

Loans made through this program are referred to as Direct Loans, because eligible student and parents borrow directly from the US Department of Education. You must be enrolled at least a half-time student to be eligible for a loan. Direct Loans include the following:

Direct Stafford Loans

- Direct Subsidized Loans – you must have financial need to receive a subsidized loan. The US Department of Education will pay (subsidize) the interest that accrues on your Direct Subsidized Loan during certain periods.
- Direct Unsubsidized Loans – financial need is not a requirement to obtain an unsubsidized loan. You are responsible for paying the interest that accrues on your Direct Unsubsidized Loan.
- Direct PLUS Loans (Plus Loans) are loans parents can obtain to help pay the cost of education for their dependent undergraduate children.

The institution is not currently offering William D. Ford Direct Stafford Loans.

G.I. Bill

If you have spent time in the military, you are eligible to use your G.I. Bill toward your education. The G.I. Bill was specifically designed for college or vocational education. Certified by State Approving Agency for Veterans' Educational Benefits. *These approvals are state and school specific and may not apply to all schools. To apply go to www.gibill.va.gov. Bring certificate of eligibility to the FAO office to begin enrollment certification with VA.

To be eligible for Title IV Aid, the student must:

- have a high school diploma, GED or equivalent
- complete the FAFSA for each financial aid year the student is eligible for aid
- comply with The School Satisfactory Academic Progress Policy
- not be in default on previous student loans
- not owe repayment on an adjusted Pell Grant
- not exceed the annual and aggregate loan limits
- have remaining eligibility if the student is a transfer student
- be enrolled in an eligible program
- be enrolled at least half time
- have ISIR Social Security mat successful or comment code indicates successful INS match
- if male, ages 18-25 have registered with the Selective Service
- be a citizen or eligible non-citizen
- have resolved any drug convictions

Steps To Apply for Title IV Aid

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA at www.fafsa.ed.gov. To complete a web FAFSA, the student will need an electronic pin number. This can be obtained at www.pin.ed.gov. This pin is unique to each FAFSA applicant and cannot be shared with anyone else as it acts as the student's signature required to submit a FAFSA. A parent of a dependent student must also apply for a pin. The parent is required to sign the web FAFSA with their uniquely created pin.

Anousheh School of Hair – Binghamton NY Consumer Information 2018

2. Once a pin number has successfully been created, a web FAFSA can now be completed. Be sure to follow all instructions when completing the FAFSA. Enter *The Institution's School Code*, **04275100** for Anousheh School of Hair. This will allow disclosure of information from the FAFSA to the school chosen by entering the school code. In the case of a dependent student, both the student and one parent will need to complete and sign the FAFSA application in order to be eligible for a Pell Grant. Dependency status is determined by the information that is filled out on the students FAFSA.
3. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized funding.
4. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). The School will be sent an ISIR (Institutional Student Information Record) for all students who list their school code. All verification and/or corrections must be completed prior to qualifying for aid.
5. If a student's FAFSA is selected for verification, the student will receive The School's verification policy and a verification worksheet. The student is required to return the verification worksheet completed, as well as provide any other requested documents. If parent information is entered in the FAFSA, or the student is a dependent, parents may need to provide additional requested documents. If selected, this verification process must be completed before a student can receive federal aid. The verification process could result in a corrected ISIR and new Expected Family Contribution (EFC) number which could affect the student's unmet need and eligible need based aid, Stafford Subsidized Loans and Pell Grants.
6. The Primary EFC provided on the student's ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student's tuition costs per academic year. These costs include tuition, applicable fees, kit and books (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.
7. The School utilizes the information presented on the student's ISIR and the NSLDS (National Student Loan Data System) to determine the student's eligibility and to calculate the student's unmet need for the student's grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.
8. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov
9. Parents desiring to take out a low interest Federal Parent Plus Loan on behalf of their dependent daughter or son must complete a Consent to Credit Check document that is made available by the Financial Aid Office. This form must be returned completed along with a readable copy of the parents Drivers License or State ID.
10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov
11. Students will need to accept or decline eligible aid by completing the Students Financial Aid Award Notice with the Financial Aid Administrator.
12. Accepted aid will be listed on the student's award letter.
13. Students are required to notify The School's Financial Aid Officer if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.
14. Students will complete said process for the 1st academic year (1-900 hours) and 2nd academic year (901-1500 hours).

Special Circumstances – Dependency Override & Professional Judgement

Dependency Override – Students who do not meet the Federal definition of an independent, but have unusual circumstances, may appeal their dependency status to The School's Financial Aid Office. Dependency Status overrides are done on a case by case basis and a determination from one Financial Aid Administrator at one institution is not binding at another institution. Successful appeals may result in an increase in the student's eligibility for aid. The Application and Verification Guide (AVG) has identified four conditions that individually or in combination with one another, **do not qualify as "unusual circumstances" or that do not merit a dependency override**. These circumstances are as follows:

1. Parents refusing to contribute to the student's education
2. Parents unwilling to provide information on the application or for verification
3. Parents are not claiming the students as a dependent for income tax purposes
4. Student demonstrates total self-sufficiency.

Students with special circumstances should contact The School's Financial Aid Office. Those students whose appeals are determined eligible will be required to submit three letters detailing the student's situation. The first letter must be

Anousheh School of Hair – Binghamton NY Consumer Information 2018

from the student detailing their situation and the other two letters must be from outside sources familiar with the student's situation (i.e.: Clergy, family friend, counsellor, etc.)

Professional Judgement – Circumstances beyond the student's control (and/or family) that affect the student's (and/or family) income during the current academic year could result in a reduced estimated family contribution (EFC). Students with special circumstances should always complete a FAFSA and then contact the Financial Aid office. If a student wishes to appeal the EFC based on special circumstances and is determined eligible to do so, the student should complete a Professional Judgement form and may be requested to supply supporting documentation of said circumstances.

Verification

Students selected by CPS (Central Processing System) for the process of verification are frequently required to submit additional information and/or parents' financial & household information to the finance office. The verification procedures will be conducted as follows:

1. When selected by CPS for the process of verification, the student must submit all required documentation to the finance office within 14 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all of the required documentation within the 14 day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.
3. The finance office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
4. The finance office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Deferment

Students who are enrolled at least half time can apply for deferment of previous student loans while in attendance at The School. Please log on to www.nsls.ed.gov to find your current loan servicer and to find out more details on "in-school deferment".

Cost of Attendance Budgets (COA)

In order to determine a student's level of loan funding, the Department of Education requires us to develop annual cost of attendance budgets. These budgets include an average allowance for room & board, transportation, miscellaneous, loan fees and, if applicable, child care and expenses related to disability. The following are standard monthly allowances that make up the cost of attendance budgets.

Cost of Attendance Budgets can be found on the following two pages

How funds will be disbursed:

In order to receive their Pell Grant students are required to have a Satisfactory Academic Progress (SAP) cumulative average of 67% in attendance and 70% in academics. This figure is arrived at by averaging grades from the following areas: classroom work, projects, and styling area performance, as well as a 67% or higher attendance requirement. The School uses a 100-point grading scale:

90-100 or A—**Excellent**

80-89 or B—**Good**

70-79 or C—**Satisfactory**

Below-70 or F—**Failing/Unsatisfactory**

The actual clock hour disbursement schedule for the Standard Cosmetology student is as follows:

1. First disbursement is scheduled for the first day of classes for Pell.
2. Second disbursement after successful completion of 450 clock hours.
3. Third disbursement after successful completion of 900 clock hours.

At the time of disbursement, the student will sign a line receipt acknowledging the disbursement and the status of their account.

Disbursement of Credit Balance Refund Summary

If the student has financial aid that exceeds his or her tuition and fee charges for the academic year in which the disbursement occurred, the student will have a credit balance. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

A credit balance refund will be given to the parent if:

The amount of the PLUS loan is greater than the student's tuition and fees charges for the academic year in which the disbursement occurred. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

Effects of Student Loans

- If the student receives other forms of financial assistance such as scholarships it may reduce the student or the student's parent eligibility for Federal Aid.
- Loans must be repaid, even if the student does not finish their education. Loan repayment begins 6 months from the date of graduation or withdrawal.
- If a student does not return from a maximum 6 month Leave of Absence, the student's loans immediately enter repayment.
- Failure to repay a student loan will leave a negative mark on the borrower's credit.
- Over borrowing of student loans may cause a borrower to pay more than their earning potential can handle, especially during the early years of repayment.

Loan Disclosures

- Student loan information published by the US Department of Education (The Guide to Federal Student Aid) is available in the Financial Aid Office.
- NSLDS (National Student Loan Data System) – student loans will be submitted to the NSLDS and will be accessible by guaranty agencies, lenders and schools determined to be authorized users of the data system.

Your school, lender or the Direct Loan Servicing Center, as appropriate, must give you a loan repayment schedule that states:

- the amount of each payment.

If you or your parents borrow under the FFEL Program, you (or your parents, or graduate and professional degree students for PLUS Loans) must be notified when the loan is sold if the sale results in making payments to a new lender or agency. - the identity of the new lender or agency holding the loan; and

Student (Borrower) Responsibilities

1. Borrower – it is the responsibility of the student to:
 - Think about how much you are borrowing: how the amount of loan will affect your future finances, and what your repayment obligation means before you take out a student loan.
 - Students will need to accept or decline eligible aid. Accepted aid will be listed on the student's award letter.
 - Sign a promissory note: you are agreeing to repay the loan according to the terms of the note even if you do not complete your education, can't get a job after you complete the program, or you didn't like the education that you received. You can do this online at www.studentloans.gov. This promissory note can be signed electronically or hard copy before any loan funds can be disbursed.
 - Make payments on time: you are required to make payments on time if you don't receive a bill, repayment notice, or a reminder. You also must make monthly payments in the full amount required by your repayment plan. Partial payments do not fulfill your obligation to repay your student loan on time.
 - Continue to pay your loans while waiting for deferment or forbearance approval.
 - Keep in touch with your loan servicer: notify your servicer when you graduate; withdraw from school, drop below half-time status, change your name, address, or social security number; or transfer to another school.
2. Entrance Counseling: First-time borrowers must complete an entrance counseling session before your first loan disbursement. This session includes useful tips and tools to help you develop a budget for managing your education expenses and help you to understand your loan responsibilities. Each student will complete the Department of Education's entrance counseling online at www.studentloans.gov.
 - Review deferment
 - Importance of keeping financial aid papers
 - Reinforce the importance of repayment
 - Importance that loan repayment is required even if the student does not finish their education
 - Default and its consequences
 - How to use the MPN or E-MPN
 - Explain interest and capitalization
 - Provide sample monthly repayment amounts and the importance of not over borrowing
 - NSLDS and how to access the system
 - Contact information for questions
 - Notification of change of name or address
 - Withdrawal from the program and how the withdrawal will affect the student
3. Exit Counseling: Students must complete exit counseling before you leave school to make sure you understand your rights and responsibilities as a borrower. Each student will complete the Department of Education's exit counseling online at www.nsls.ed.gov and www.studentloans.gov as well as discuss the following during your personal appointment with the FAO:
 - Review information concerning loans from entrance interview

Anousheh School of Hair – Binghamton NY Consumer Information 2018

- Review repayment options including seriousness and importance
 - Review average indebtedness of student borrowers and anticipated monthly repayment amount
 - Provide information on loan consolidation (pros and cons)
 - Discuss how to contact the party servicing the student borrowers direct loans

 - Describe the likely consequences of default
 - How to access the NSLDS website and availability of FSA Ombudsman's office
 - Help the borrower understand their rights and responsibilities concerning loan repayment
 - Collect updated personal contact information for the borrower
4. Repayment of Loans: There is a set time period after a student graduates, leaves the school or drops below half-time status before the student must begin repayment of loan(s). This period of time is called a grace period and gives the student the time to get financially settled and select a repayment plan. The grace period for a Direct Stafford loan is six months. Plus Loans do not have a grace period. Depending on the type of loan a student receives and the repayment plan chosen, the student may have from 10-25 years to repay the loans. Monthly repayment amount will depend on the type of loan, size of debt, length of repayment period and repayment plan chosen. For more information, go online to www.studentaid.ed.gov/repaying.

Refund Policy - Institutional Refund Policy

For applicants who cancel enrollment or students who withdraw from enrollment, a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

1. A student who cancels within 7 days of signing the enrollment agreement, and before instruction begins, receives all monies returned with the exception of the non-refundable registration fee.
2. Thereafter, a student will be liable for:
 - o the non-refundable registration fee, plus;
 - o the cost of any textbooks or supplies accepted, plus;
 - o tuition liability as of the student's last date of physical attendance. Tuition liability is divided by the number of quarters in the program. Total tuition liability is limited to the quarter during which the student withdrew or was terminated, plus any previous quarters completed.

All refunds are based on scheduled hours. The following schedule of tuition refund will apply:

(a) First Quarter

<i>If termination occurs</i>	<i>School may keep</i>
Prior to or during the first week	0%
During the second week	25%
During the third week	50%
During the fourth week	75%
After the fourth week	100%

(b) Subsequent Quarters

<i>If termination occurs</i>	<i>School may keep</i>
During the first week	25%
During the second week	50%
During the third week	75%
After the third week	100%

- ✓ The cancellation date will be determined by the last date of attendance.
- ✓ If a student on an approved leave of absence does not return on the designated return date, they will be terminated and the refund schedule above will apply.
- ✓ Enrollment time is defined as the time scheduled between the actual starting date and the date of the student's last day of physical attendance at the school. Any monies due the applicant or student shall be refunded within 45 days of the formal cancellation date as defined above, or formal termination by the school, which shall occur no more than 14 consecutive calendar days from the last day of physical attendance, or in the case of a leave of absence, the earlier of the dates, when the student notifies the institution that they will not be returning or the documented return date.
- ✓ In the case of disabling illness or injury or other documented mitigating circumstances, a reasonable and fair refund settlement may be made at the school's discretion. If the school is permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student. If the course is cancelled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or complete the course at a later time.
- ✓ This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (such as, kit, extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in the enrollment agreement.

Student must notify the Director either in writing or orally, of intent to withdraw. The date of the termination for return and refund purposes will be based on the date the student provided official withdrawal notification.

REFUND PROCESS

Upon receipt of the withdrawal information, the Director will complete the following:

1. Determine the student's last date of attendance based from the school's Attendance Record Form.
2. Calculate the school's refund requirement using the Refund Calculation Form.

The failure of a student to notify the Director in writing of withdrawal may delay refund of tuition pursuant to Section 5002 of the Education Law.

Consumer Information 2018

If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of TIV funds will be completed and any applicable returns by the school shall be paid, as applicable, The order of returns is: Unsubsidized Federal Stafford Student Loan; Subsidized Federal Stafford Student Loan; Parent Loan for Undergraduate Students (PLUS); Federal Pell Grant; and, Other Federal, State, Private, and Institutional student assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

Return of Title IV Funds Policy

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal): The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If the post-withdrawal disbursement includes loan funds, the School must get the student's permission before it can disburse the loan. Students may choose to decline some or all of the loan funds so that s/he does not incur additional debt. A notice will be sent out to the student, and the signed, original document must be returned to the School within 14 days.

Any amount of unearned grant funds that you must return is called an overpayment. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Return of Funds by the School

The school will make the refund determination within thirty (30) days from the date of withdraw/termination and return the unearned funds for which the School is responsible as soon as possible, but no later than 45 days after the date of student withdraw/termination.

Satisfactory Academic Progress Policy (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school regardless of form of payment, cash pay or Title IV HEA Program funds. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. Satisfactory Academic Progress in both attendance and academic work is required for all students enrolled in **Anousheh School of Hair**.

Academic progress is evaluated at the end of each marking period and, in addition to a 70% grade average, students must have a 67% attendance (for a max time frame of 150% or 1875 hours). The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 67% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

The institution offers a clock hour program and all students attend on a continuous basis. Therefore, we do not offer term or credit hour based programs. Enrollment is based on one period of continuous enrollment which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds. The period of enrollment includes, fall, winter, spring, and summer, as applicable to the student's enrollment agreement.

Academic Policy:

Students are required to maintain a 70% or C average. Written and practical tests are given throughout the course. Educators sign off on all theory and practical work. Theory assignments are graded numerically and students are graded on the following scale:

Grading Scale:

90-100 or A—**Excellent**

80-89 or B—**Good**

70-79 or C—**Satisfactory**

Below-70 or F—**Failing**

Note: Grading scale based on theory and practical testing.

Practical Grading

Practical assignments are evaluated and counted towards course completion as graded. Practical skills are evaluated according to text procedures, state licensing agency requirements, and using criteria accepted by the school. If absent, all assignments can be made up, and it is the students responsibility to make up missed assignments. Incomplete assignments will be graded as received.

Evaluations:

The school has two formal evaluation periods, 450 and 900 actual clocked hours. The first evaluation will occur prior to and no later than the mid-point of the academic year. Evaluation periods are based on actual clocked hours. All periods of enrollment are included in the SAP calculation for Title IV HEA funds eligibility and otherwise.

The attendance percentage is determined by dividing the total actual clocked hours by the total number of hours scheduled. Scheduled hours are determined by date of enrollment up to the evaluation point. Actual clocked hours are what the student attended during that same period. School staff will review with students a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations.

Academic and attendance progress will be measured at each evaluation, and students who meet the minimum requirements for attendance and academic progress shall be considered as making satisfactory academic progress until the next evaluation.

Anousheh School of Hair – Binghamton NY

Consumer Information 2018

Warning

Students failing to meet minimum requirements for attendance and/or academic progress are placed on “warning” and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on required actions to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, they will be deemed ineligible to receive Title IV HEA funds, as applicable, and become a cash pay student.

Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV HEA funding, as applicable, by meeting minimum attendance and academic requirements by the end of the warning at the next scheduled evaluation. Make up hours and work are available upon request by making an arrangement with an instructor.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student’s cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Noncredit, Remedial Courses, and Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school’s satisfactory academic progress standards.

Transfer Hours

A student’s transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluations periods are based on actual contracted hours at the institution.

Note: *Withdrawal passing/withdrawal failing and appeals are not applicable to this institution.*

- End of SAP Policy -

Leave of Absence (LOA) Policy

For the school to grant a leave of absence there must be a reasonable expectation that the student will return from the LOA. Students must complete, sign, and date, a *Leave of Absence* form in advance of the leave taking place. The leave of absence form must be completed in person, state the reason for the leave. A leave of absence will be granted only in extenuating circumstances, such as an accident, prolonged illness, the death of a relative or maternity leave.

Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it to school via mail or in person within reasonable resolution of the emergency. In emergency instances the LOA begin date will be consistent with the first date the student missed due to the emergency. A student who is granted a LOA that meets the above mentioned criteria is not considered to have withdrawn from the institution and a refund calculation is not required.

The minimum time allowed for an authorized leave of absence is 5 consecutive calendar days; the maximum is 45 consecutive calendar days, with the allowance for students to return earlier than planned. The Director will review the request with the student, and not all leave requests will be granted.

On the day the student returns from a LOA the student is required to complete an enrollment agreement addendum. The student’s contract and maximum time frame will be extended for the same number of days the student was on LOA without any additional institutional charges or penalty to the student.

A student returning to school after an interruption in their education or after being dropped, must return to school in the same satisfactory academic progress as prior to their departure.

At the time of authorization, students are given a return date. If the student does not return from the LOA on the date designated, the student will be withdrawn from the school. The institution is required to take attendance and therefore the withdrawal date for the purpose of calculating a refund will be the student’s last date of attendance. If a student is absent 14 consecutive calendar days without being on an official Leave of Absence, they will be considered withdrawn. The institution is not responsible for any equipment left at the school.

Grievance Policy

We at the **Anousheh School of Hair** take pride in providing excellent educational staff, facilities, equipment and supplies. Our staff is willing to resolve any problems our students may encounter during their education here. In some cases, students may feel the instructor did not answer a concern to their satisfaction. 1. Write a complaint and submit it to the school Director. Outline the nature of the complaint and the steps taken to date.
2. The Director will meet with the complainant within 10 days of receipt of the written complaint. If after careful evaluation, the problem cannot be resolved through discussion, we will refer the complaint to a committee for review.
3. The complaint committee will meet within 21 calendar days of receipt of the complaint and review the allegations. If more information from the complainant is needed a letter is sent outlining required additional information.

We feel that all problems can be resolved through our school's complaint process. If students still believe, after exhausting the schools grievance policy that their complaint is valid and wish to pursue the matter further, this procedure does not in any way limit a student's right to exercise their legally protected rights to take any complaint to the State Education Department or the school's accrediting agency.
